All rights reserved Published internationally by Yukitama Creative Industries LRM Limited.. The Governor Edition 2 For Mac OsxIs an intense strategy board game in a steampunk world of corrupt capitalist gremlins who compete for money, political power and prestige.. But who would have thought that some of them won't stop at that, and would pick up on our town's grandest game: the Big Game for power, prestige and money?CONTENTSThe Astral Gamblers DLC includes:12 new character portraits of the Astral Masters, visiting the clockwork-town on a gambling tour;an all-new communication feature: 4 powerful global effects to communicate your state of mind (including 'This Means War', 'The Dirigible of Justice' and 'Rest in Peace');a new alternative music theme for the main menu (enigmatic, like most things from the Astral Plane);a new alternative background for the main menu;3 new themes to customise your player profile;3 new player icons for the lobby.. At the same time, from time to time we create and release fun stuff (animations, character portraits, alternative music themes) that is not related to the game mechanics, as paid DLCs..
